MAKE A STAND

ABOVE Nothing says laid-back and luxurious like a stunning, freestanding bath does, and this modern, egg-shaped tub will hug you in all the right places thanks to its organic curves and silky-smooth, matt finish. It's a centrepiece that you'll adore for years and years to come. The Ellipse DQ cast material stone bath is £2,295 from Waters Baths of Ashbourne

GO FOR GOLD

RIGHT Turn a traditional-style, brass shower into an edgy and urban statement by setting it against dramatic inky wall tiles. Dalby shower and rose, £2,970; Shower enclosure, £3,340 and heated towel rail, £3,318 all available from Drummonds

TAP INTO STYLE

The Coventry three-hole mixer tap in copper is just what the 2017 bathroom is crying out for – warm metallic, tick, period silhouette, tick, and versatile enough to go with any style of basin, tick. It's £1,027 from Devon & Devon
